

## INVITATION TO JOIN US!

### SATHYA SAI EDUCATION IN HUMAN VALUES "WALK FOR VALUES" PARADE AND PICNIC

St. Louis, Mo

Friday, June 20, 2008 9:00 Am - 2:00 Pm.

Sponsored By Sai Centers of St. Louis Mo and Belleville IL

*The* overall theme for the parade is "Celebrating Youth" however the **Sathya Sai Education in Human Values** segment of the event will be "Walk for Values".

*We* are partnering with Neighborhood Houses who is the lead coordinator for the overall parade and picnic. Other groups for the event are Health Care USA, St. Louis City Health Department and others. A Missouri Senator will serve as one of the parade Grand Marshals.

*We are partnering with the Neighborhood Houses for the Parade and Picnic because* over 6 years ago, Neighborhood Houses chose **Sathya Sai Education in Human Values** as their afterschool and summer youth program of choice for their 4 locations throughout the city of St. Louis. Neighborhood Houses is a social service organization which serves low income children, families and this community at large. A team of seasoned **Sathya Sai Education in Human Values** trainers conduct ongoing trainings for Neighborhood Houses youth program teachers, center directors and administrators. On-going refresher trainings are conducted regularly. To date, approximately 150 Neighborhood Houses staff have been trained and/or retrained in **Sathya Sai Education in Human Values** and over 700 children have benefited from **Sathya Sai Education in Human Values** since its implementation at Neighborhood Houses.

*The* on-going community outreach with **Sathya Sai Education in Human Values** focuses strictly on upholding the integrity of **Swami's** program and not on **His** form. Please join us in our continued efforts to share and expand His program to the community-at-large.

**Please see brochure in attached file for contact information.**

In Sai Service,  
Doris Hampton, Region 4 Coordinator  
Sathya Sai Education in Human Values
